Terms and conditions

- All investments in the stock market are subject to market risk. Returns are not guaranteed, and past performance does not ensure future results.
- The company does not promise or guarantee any fixed or assured returns on investments. Profit or loss will depend on market performance and individual trading decisions.
- All client information is confidential and used only for official and legal purposes as per the company's privacy policy.
- All advisory services and courses are designed to comply with SEBI norms.
- The stock market operates only on official trading days, typically Monday to Friday, excluding public holidays declared by the stock exchanges (NSE/BSE).
- No trades, settlements, or investment-related activities will be processed on weekends (Saturday and Sunday) or on stock exchange-declared holidays.
- Investors must be 18 years or older and comply with all regulatory KYC norms before investing.
- All training sessions are designed for educational purposes only and do not offer real-time investment advice.
